Product reference:

Louvre Panel

Width – As Standard:

1.83m

Height:

0.91m

1.22m

1.52m

1.83m

Rails: Top/bottom Rails - 70 x 51mm.

Pales: 70 x 18mm.

Panel Thickness: 51mm

Gravel Boards:

Gravel boards are required where panels are in contact with the ground. 140mm added to the height.

Posts:

Slotted Jakposts®

Guarantee:

All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.

Features:

- All fixings are stainless steel.
- Gravel boards are required where panels are in contact with the ground.
- Larger slats to offer greater privacy.
- The Louvre semi-solid design allows some wind to pass through - less wind resistance, stronger fence.

Gates:

Our Louvre Panel does not have matching gates, but other gate types can be recommended to suit.

Height: N/A

Width: N/A

Installation

In accordance to manufacturer's instructions.

Louvre panels offer a sleek appearance suited to contemporary gardens. The horizontal slats are made from planed and shaped Jakcure® treated timber, secured to create an angle - reminiscent of louvre blinds - unlike the straight sided slats of our Venetian Panels. The slats are also larger which gives greater privacy than Venetian - yet still let in light and offer less wind resistance than solid panels, like Chilham or Tongue and Groove Effect panels.
